VOLUME LXXII, NUMBER 52 — REDWOOD CITY, SAN MATEO COUNTY, CALIFORNIA, FRIDAY, MARCH 25, 1932 — ESTABLISHED IN 1859

FIVE FILE FOR COUNCIL RACE, REDWOOD CITY

Four To Be Elected; Nine In Race At Burlingame

Only five candidates had filed by noon Tuesday, the deadline, for the four seats to be filled on the Redwood City council at the municipal election, April 11.

These are the four incumbents, Mayor Daniel R. Stafford and Councilmen Charles Lambert, Paul McCarthy and George McNulty, and Robert N. Jones, president of the South Redwood Improvement Club. Four of the five are to be elected.

In San Carlos, six candidates are lined up for the three council seats to be filled. Incumbents John B. Bryan and Edward R. Burton will seek re-election, while E. H. James drops from the race. New faces are Asa Hull, Claude Sorensen, William J. Scott and H. A. Jacopi.

Belmont likewise has six candidates to fill three councilships. C. J. Messner and James P. Halloran, incumbents, will ask to be returned, while Alexander Morrison has dropped out. Keene Fitzpatrick, George L. Roussel, Waldo J. Marra and Clifford C. Lussier will contest for the offices.

Burlingame has nine candidates in its councilship fight, as well as a three-cornered fight over the treasurership, and James R. Murphy, who has held the city clerkship since 1910, again goes to the polls uncontested.

Incumbents in Burlingame are Councilmen Fred Peterson, Alan F. Hunt and J. C. Russell. Others in the race, including Harry W. Dessin, Burlingame garage owner, a last-minute entry, include: C. D. Hall, H. B. Parkerson, Clark T. Hendehson, Don C. Reid and A. A. Hock.

J. Sidney Lewis, an accountant, and Sterlin Paden, an insurance broker, will oppose Treasurer Frank Bloom.

Though interest in politics is running high in San Mateo county, many voters are yet unregistered. The deadline for the freeholders' election and the May presidential primary (May 3) comes at midnight Thursday, County Clerk Elmore B. Hinman again warned voters today.

To make it easy for those who cannot register in the daytime, the clerk has arranged for Deputy Registrar Margaret Griffith to be at the courthouse between 6 and 9 o'clock Thursday night. Other registrars in the city can be contacted up to midnight Thursday.

After that hour, citizens unregistered will have no say in the May presidential or freeholders' voting.

ATHERTON POLICE EVIDENCE SOUGHT

ATHERTON, Mar. 24. — Police Chief J. E. Farrell and Officers Rollen Somer and Martin Charshaf will testify in Oakland tomorrow at the preliminary hearing of three San Francisco men on the charge of burglarizing an Oakland warehouse of more than $1,000 worth of candy and tobaccos last week.

The three alleged burglars, Charles P. Wakefield, Joe Capolne and Joe Pinto, were arrested in Atherton early Friday morning when Somer and Charshaf became suspicious of the truck as it was passing through Atherton on the highway to San Francisco.

Cramer Pleads Guilty To Charge of Assault

Joseph Crammer, the phantom of the hills of Pescadero, who made such a furor in the quaint community some time ago, was up in Judge Swart's court yesterday afternoon to plead to several charges of assault, with an intent to kill, upon Mrs. Louise Brotherton and her daughter, Lottie. Reed Clark appeared for the defendant, who asked that the charges be reduced, and with the consent of the district attorney, they were, whereupon Crammer pleaded guilty to simple assault upon the person of Mrs. Brotherton and guilty to the charge of an assault with a deadly weapon upon the daughter. The prisoner waived time for sentence but the court did not feel justified in passing sentence without investigating the case. He asked that the matter be referred to the probation officer to report in one week. This was done to keep the case in the jurisdiction of the court until he had looked into it.

Free Tells Reasons For Dry Ballot

THE REASONS for his vote against the recent resolution in congress providing for a referendum of the prohibition question to the states was explained today by Representative Arthur M. Free, Republican, in a dispatch to the Palo Alto Times. He said:

"The principal reasons for my vote on the prohibition referendum are:

"First, a member of congress is presumed to vote on any matter as his district has voted on the particular question without regard to his personal views. My district several times has voted dry on the prohibition question.

"Second, the resolution proposed would permit the return of the open saloon, and I am absolutely opposed to the open saloon."

EASTER EGG HUNT TO LURE CHILDREN

Event Takes Place on Sequoia Field Here, Sunday at 1:30

Easter Sunday is never complete without an old-fashioned Easter egg hunt, and this year as in the past three years the kiddies of Redwood City will seek baskets of eggs and live bunnies hidden about the Sequoia high school football field.

The hunt will begin at 1:30 o'clock, when James Hearne, chairman of the committee from the Retailers' division of the chamber of commerce, gives the signal for children up to 10 years of age to start searching.

In addition to delicious candy eggs awaiting the lucky finders, there will be six live rabbits ready to greet their new owners Sunday.

An extra treat is in store for those who discover the hiding places of 24 large chocolate Easter eggs, for Thomas J. Kane of the Sequoia Theater has arranged with Chief Br'er Rabbit to place two dozen free tickets to the Easter matinee in these special prizes.

Thousands of children of the community will be on hand to join in the fun, and their parents are invited to watch the affair.

GOOD FRIDAY IS BEING OBSERVED

All Redwood City churches joined today in observance of Good Friday. Union services were held in the First Congregational Church from noon to 3 o'clock.

The final Passion Service of the Lenten Season will be held in the Redeemer Lutheran Church at 8 o'clock tonight.

Stations of the Cross will be observed in the Mount Carmel Catholic Church at 7:45 o'clock tonight. The sermon will be given by Father Francis Roch, Ph. D., of St. Joseph's Seminary, of Menlo Park.

Easter Sunday masses will be said at 6, 7, 8, 9, 10:30 and 12:15. High mass will be celebrated at noon, followed by benediction.

San Mateo Airport May Be Subdivided

SAN MATEO, Mar. 24. — The Curtiss-Wright Flying School will abandon its San Mateo airport, it was rumored here today, although attendants at the flying field would not confirm or deny the report.

It was learned that Louis Meyer and four other San Francisco capitalists had obtained a five-day option on the 350-acre tract and will develop it into a home subdivision if acquired.

BOB STEFFENS APPOINTED TO COLLEGE PAPER STAFF

Bob Steffens, Redwood City youth attending San Jose State College, today was named as business manager of the "Times," student publication there. It will be issued four days weekly beginning with the spring quarter on April 4.

CITY PROCEEDS TO GAIN SITE FOR RESERVOIR

Council Would Speed Work, Employ Men; Other Business

Court proceedings to obtain title to four acres of property in the western foothills at the end of Vera and Roosevelt avenues as a site for Redwood City's new reservoir were ordered by the city council Monday. It is hoped to speed the work so that jobs may be found for some of the city's unemployed workers.

City Attorney Albert Mansfield was instructed to file the eminent domain proceedings when it was reported to the city council that W. W. Carson, owner of the property, was "not fully determined to enter into negotiations with the city." Carson, it was reported, would not accept the $750 an acre appraisal made by one of the city councilmen, holding the land to be valued at considerably higher.

The reservoir site will be 4.769 acres in area, with the reservoir to be built of concrete and to be approximately 200 feet in diameter and of a capacity of about 3,000,000 gallons, City Manager E. A. Rolison reported.

A 15-foot road and pipeline right of way will lead from Vera avenue to the reservoir site.

Action of the board was taken on motion of Councilman William J. Dusel and second of Councilman George McNulty.

License Tax Aired

The council again discussed the city license ordinance at length when Councilman Henry Beeger asked if the $100 deposit required of new merchants until they have been in business for six months was not keeping out legitimate small businesses. He said that complaint is made that if this deposit was waived that Main street might find it easier to rent some of its empty stores.

Upon further thought, however, he agreed that anyone coming into the city who didn't have $100 to start up in business or didn't know anyone who would go his bond in that sum would probably not last long.

It was pointed out by City Attorney Mansfield and by Councilman McCarthy that the ordinance was meeting its objective of keeping out the "fly by nighter," who comes into town with fire sale stock, undersells local merchants and then departs.

R. R. Stops Considered

Councilman McCarthy asked his colleagues what they thought of installing stop signs at railroad crossings in Redwood City.

It was thought by some that this might tend to make the Southern Pacific seek to remove its flagmen, and that the halting of the cars for stop signs at the crossings like Broadway would cause considerable jam of traffic.

City Attorney Mansfield suggested installing glass-studded "R. R." signs at the crossing, which the council referred to City Manager Rolison for a report of costs.

Protesting Lights

Councilman Beeger informed the board that he has heard that a petition is being circulated among Main street property owners protesting the installation of electroliers on Main street.

The movement for the lights, it was pointed out, was initiated by the property owners themselves and the council will abide by their wishes.

Calls Ouster "Plot"

W. J. Locke, secretary-manager of the California League of Municipalities, who was recently discharged, told the council in a letter that his removal was engineered by interests seeking to control the league for their private gains.

He said two of those who voted his removal were Mayor C. H. Christensen of Palo Alto and Leon T. David, former Palo Alto assistant city attorney.

Protest Charity Funds

Ray Long and Al Gosnel, both of Redwood City, appeared before the council to protest the failure of the board of supervisors to assist the city's jobless. Long said it was the desire of the 600 registered jobseekers here to help themselves and asked that the council lend its assistance.

Gosnel said if the county could not help, the city should create work for those residing within the city limits.

Mayor Stafford informed both men that the supervisors at yesterday afternoon's session had voted to turn the $6000 charity fund voted yesterday morning into work channels, if possible, and

(Continued On Page Five)

WILL SING EASTER MORN

At the foot of the Emerald Peak cross, this group of pretty Redwood City girls is rehearsing hymns for the Easter Sunrise Service, which will be held beginning at 6:30 o'clock next Sunday.

BUTCHER BOY HELD IN S. F. MURDER CASE

Redwood City Youth Admits Part In Robbery

On a secret tip, San Mateo county authorities Tuesday took Henry Castro, 25, butcher boy, into custody at his Five Points home for San Francisco police, for questioning in connection with a two-year-old murder mystery.

Castro admitted to Undersheriff Lawrence Nieri, District Attorney Edmund Scott and his deputy, Harold F. Anderson that he was one of two men who robbed Walter Mathias, 67, San Francisco restaurant man, of 566 Elizabeth street, on August 5, 1930, leaving him with fatal wounds.

The Redwood City youth named Harry La Frenz, now in Folsom prison for assault with intent to commit murder in another case, according to Anderson, as the actual slayer of Mathias. Castro said he rifled the cash register of $1.52 while La Frenz went into the kitchen to "take care" of Mathias.

La Frenz plotted the crime, Castro declared, adding that the former said he knew Mathias always had about $400 in his possession. After leaving the restaurant, La Frenz told Castro that he "had to hit him (Mathias) over the head." Castro watched the newspapers, he said, and learned the next day that Mathias had been mortally wounded. Mathias died several days later. The youth said he was "scared to death" he had left his fingerprints on the cash register.

The crime remained unsolved until a few weeks ago when a secret tip came to San Mateo Mateo county authorities from a woman. It revealed that Castro, who then was serving 60 days for non-support of his wife and child, had been in previous trouble.

Castro was taken to San Francisco by Inspectors Harry F. Husted, Allen McGinn and Frank McCann. He may be charged with murder and robbery, they reported.

SCHOOL ELECTIONS TAKE PLACE FRIDAY

No Contest Here, But Rivalry Exists In San Carlos

While Redwood City and other Sequoia district voters go to the polls today to cast complimentary votes for Walter T. Kellogg as trustee of the Sequoia Union High School District, and C. M. Doxsee as trustee of the Redwood City Elementary District, San Carlos will be having a spirited contest for the elementary school post there.

Albert Simpson, incumbent school trustee, will be opposed by Capt. Martin J. Cahill of the San Carlos Fire Department.

In Belmont, L. A. Barrett, incumbent trustee, will be unopposed.

Polls will be open between the hours of 6 and 9 in Redwood City and 2 and 7 in San Carlos. Only one poll for both elections will be established in Redwood City and that will be in the Central School.

National Girl Scout Leader Welcomed At Public Dinner; Organization Work Described

To welcome Mrs. Frederick Edey, national president of the Girl Scouts of America, from New York, members of service clubs and other friends of scouting in Sequoia district attended a dinner in Sequoia high school cafeteria Wednesday night sponsored by the Kiwanis Club.

Following an invocation by B. E. Myers, Edward T. Harrison was introduced as toastmaster by Mrs. A. S. Kalenborn, commissioner of Girl Scouts in the district. Mr. Harrison presented the Kiwanis quartet, composed of Charles Lambert, H. J. Phillips, Duncan Reynard and Mr. Myers, and this group, with Roy A. Hohberger at the piano, and directed by Mr. Lambert, sang during the evening a number of songs arranged to convey a personal greeting to the guest of honor.

The address of welcome was given by John Gill.

Miss Ruth Jaynes, director of scouting for the district, and Miss Vaal Stark, regional director, gave brief talks.

Mrs. Kalenborn then spoke of the importance of the "job" of girl scouting, and the necessity of home and organization co-operation. She announced the garden tours which begin next month, and will open to the public the gardens of estates in Atherton and Woodside, for the benefit of the scouts, and other scout benefit activities.

Mrs. Edey, presented by the chairman, drew the attention of her listeners to the picture of a bridge supported by pillars and lighted by lamps with several Girl Scouts crossing, and upon this picture she based her explanation of the values of the work which scout heads not only in the United States, but in foreign lands as well, are doing for the girls of their respective countries.

She referred to the national council which meets once each year and occupies the executive headquarters; of the regional council covering the 12 regions into which the country is divided; of the local councils, and community committees; the leaders and troop committees, all of which she likened to the pillars of the scout structure.

The ten laws of scouting she compared to the lamps lighting the way of the different types of girls whose lives are made fuller and richer by scout associations.

In order that learning may also be a pleasure, Mrs. Edey told of the system of merit badges won by the girls by completion of allotted tasks.

The speaker touched briefly upon the origin of scouting, of Robert Baden Powell's early work among boys and girls in England, and of Mrs. Juliet Gordon Lowe's later development of the movement for girls in the United States. From the plans of these two have grown organizations that encircle the globe, and the teaching and training of scouting extend now into 39 countries.

RECORD ESTABLISHED AS OVER 34,000 REGISTER

An all-time registration record was believed set here yesterday when 34,000 persons were found on the San Mateo county rolls ready to vote in the May presidential and freeholders' election on May 3.

Chief Deputy County Clerk William H. Augustus estimated that number had registered. The total registration in 1930 for the November general election was but 33,800.

This registration, Augustus said, was the heaviest early season qualification of voters in the county's history. It could not be determined how many of the voters were Republicans and how many were Democrats, but it was generally conceded that the Democrats this year had made heavy inroads on Republican ranks.

Registration for the May presidential primary closed at midnight last night.

BUILDING PLANS IN N. P. A. MUST GET COUNTY O.K.

Anyone planning to build in the North Palo Alto section hereafter will be required to submit plans to the San Mateo County Planning Commission, which has its headquarters at the courthouse in Redwood City.

This is the order conveyed by signs placed by the commission today at four intersections in the district: Pope street and Woodland avenue, Pope street and Oak street; Walnut and Laurel streets and Walnut street and Menalto avenue.

Although the district cannot be restricted to residences costing a certain amount or over, an effort is being made to secure artistic homes, no matter how small, and to prevent erection of unsightly structures.

A Swiss expert announces that there are more than 35 kinds of poisonous gases ready for use during the next war.

ALPHEUS DAVIS EARLY PIONEER PASSES IN P. A.

Alpheus A. Davis, 87, California pioneer and early San Mateo county resident, passed away at his home in Palo Alto Wednesday. In his youth Alpheus and his brother, Stephen, resided at Searsville, the county's pioneer village, which passed out of existence when the Searsville dam was constructed, where their father conducted a hotel. In the 70's they established a meat business in Redwood City and prospered.

Davis was a native of Massachusetts and came to California with his parents via Cape Horn. He is survived by a son, Everett L. Davis, of Palo Alto. His brother, Steve, is in business in San Jose.

A Michigan malt tax, instead of yielding $1,000,000 a year, is yielding only $600,000, and plans to build a new state hospital must be abandoned.

BIG CROSS HERE GAINS DISTINCTION

Emblem Has Served For Three Years As Easter Mecca

In the three years it has served as a mecca for the thousands of worshipers who gather at its base for the annual Easter sunrise services, the Emerald peak cross above Redwood City has gained a distinctive place among the sites where people gather for worship at dawn on Easter morning.

The steel cross, 82 feet high with a cross arm 26 feet in length, was erected in 1929 by public subscription through the efforts of the Ministerial Union.

While San Franciscans make their way to the top of Mt. Davidson, where a temporary cross has replaced the one which was burned recently, people from all over the peninsula will gather for services in the natural amphitheater at Emerald peak.

Hollywood bowl and Mt. Roubidoux are the better known places in Southern California where Easter services are held.

Redwood City's cross, which is illuminated nightly during Easter week, will be a glowing beacon for the early arrivals at Emerald peak Sunday morning. The lights will be dimmed with the rising of the sun at 6:03 o'clock.

CONFERENCE DUE ON DELIVERY TAX

S. F. Finds Licenses Of Peninsula Cities Objectionable

BURLINGAME, March 24.—Burlingame, San Mateo and other peninsula cities' chambers of commerce were invited today by letter to attend a conference in the San Francisco City Hall March 29 to discuss business licenses being charged on trucks used in delivery of goods.

The letter was sent out by Mayor Angelo Rossi of San Francisco. San Francisco is believed to find the license taxes charged by the peninsula cities to be objectionable to its firms. A similar complaint comes also from peninsula firms as to the San Francisco business tax.

BOOK MARKERS TO ADVERTISE LIBRARY VOTE

Book markers for insertion in volumes at the Redwood City Public Library were off the press today. They will advertise the $60,000 library bonds, which are on the regular April 11 municipal ballot. They were prepared by the library bond committee of the chamber of commerce.

"Remember—we're voting for the library in dull times. It will be paid for in prosperous times. As a patron, we need and ask your help," says one side of the marker. And on the other: "If every library patron votes for the bonds, and gets one friend or more to vote for them, we'll have a new library in Redwood City."

Talks on the bonds have been scheduled for several local organizations, as follows:

Kiwanis club, March 30; South Redwood Improvement Club, April 7; American Legion, March 28 (Carl Wagner, speaker); Veterans of Foreign Wars, April 5, and Redwood City Sportsmen's Club, March 28 (Howard I. Wood, speaker).

Shortridge Plans Western Campaign

Senator Samuel M. Shortridge has written friends in Redwood City that he will leave Washington about the middle of June for California to conduct his campaign for re-election.

The senator has recovered from his recent illness and is able to be on the floor of the senate every day to look out for the interests of his state.

From the accounts coming from all portions of the state it would appear that Mr. Shortridge will be returned to Washington with as large a majority as he has ever received.

S. M. HOPES TO GET $10,000 TO HELP JOBLESS

Supervisors Meet With Relief Body, Argue Subject

Warned by the San Mateo County Committee on Unemployment Relief "that the need is now larger than ever before and it is increasing," the San Mateo County Board of Supervisors late Monday agreed to try to "find" about $10,000 in the county treasury with which to create jobs.

At the same time, the board agreed to work out some plan for creating employment with the $6000 voted Monday morning to the Social Service Commission, which would result in giving men employment instead of grocery orders. The money would be spent on improvement in the San Mateo County Memorial Park at Pescadero.

These decisions were reached at a round-table discussion between the supervisors and the relief-finding committee which lasted from 1:30 until 4 and which at times waxed warm as the problem appeared to have no solution.

The $10,000 will be sought from the unbudgeted reserve, which yesthe unbudgeted reserve, which Monday had but $10,267 left. With $6165 going to the social service work, but $4000 would remain for creating jobs. The fund has coming to it, however, about $7000 more from taxes yet to be collected, so it is thought possible the money could be raised.

Mrs. Ellen Biber, secretary of the social service commission, warned the group that perhaps all of the $6000 which the board voted for food relief will be needed.

Supervisor John W. Poole of Redwood City stated that it was the desire of the board to help in every possible way, but he set off one bunch of pyrotechnics when he said the unemployment committee had been calling meetings for the purpose of discussing the problem for the past three months but had not as yet accomplished anything.

This brought the reply from Capt. Edward McAuley, chairman of the relief committee, that much had been done "by digging down into our own pockets," and that private funds were now about exhausted. "Sooner or later," he reported, "considerable help must be obtained from county, state or federal sources."

"In San Mateo county," he reported, "this may take the form of some increase in taxes unless it can be accomplished in some other way."

Captain McAuley expressed a belief that the time has come to appeal in no uncertain terms to the large number of peninsula residents who are well situated, saying that the funds raised to date have come from those having small salaries or income, and "this," he observed, "cannot go on indefinitely."

Work was recommended by the committee as the only logical and orderly means of relief. Regular sources of work are now so crippled that a return to normal cannot be readily expected, the committee reported. Another "low" for this winter was foreseen.

Supervisor Rosalie Brown, San Mateo, said with thousands out of work, the county funds could not take care of them all. Supervisor Poole stated also that he had spent $10,000 from his funds in the past three months and that his district funds could not keep this up.

Mayor Matthew A. Harris of Atherton suggested that a coordinated plan be worked out so that the supervisors, the relief committee and the municipalities would all be going toward the same goal in order to bring "order out of chaos."

It was finally agreed to, on motion of Captain McAuley and second of Mayor C. A. Buck of Burlingame, that the county find $10,000 to create jobs; that the board say how and where this money was to be spent, and that the relief committee supply the men on an allocation based upon conditions in the various county districts.

Cecil Waite Opens Lubrication Service

Cecil Waite, formerly employed at a local garage, has opened a complete lubrication service station at the Hutchinson garage, corner of Dumbarton avenue and El Camino Real. Waite has been in the business for 15 years. His equipment can exert a pressure of 10,000 pounds.

Woodside

The Home Section meetitng of the Parent-Teacher Association was held at the school auditorium on Wednesday afternoon. Miss Clara Dills, county librarian, was the speaker. She gave a very interesting talk on Russian books and exhibite d a fine collection of Russian dolls.

At a garden wedding to be held at the P. C. Hale place in Woodside at noon on Saturday, April 2, Mrs. Josephine Winkler will become the bride of Pasquale Gargiulo. Over 200 guests have been invited and an elaborate ceremony has been arranged.

On Monday, April 4, an election will be held in the Woodside Fire District to elect a fire commissioner for the term of three years. Edward L. Beck, president of the commission, whose term expires, will again be a candidate and the excellent work he has done for the department during his last term will insure his re-election.

The baseball t eam of the Woodside Fire Department ran true to form last Sunday by defeating the daisy Dixon team from the city by a score of 17 to 7. The presence of a number of former Sequoia High School stars on the Woodside team insures some real baseball and the team hopes to go through the season without a defeat.

The summer round up drive sponsored by the Parent-Teacher Association through its health committee has planned for a physical examination of children of pre-school age to be held at the school on the morning of April 12 from 8:30 o'clock in the morning. Dr. Howe of Redwood City will be the examining physician and parents having children under school age are invited to bring them for examination at that time. The children from Portola will be cared for at this time as it is not planned to have a separate examination given in the Portola district.

Mr. and Mrs. William Wallace Mein and family are spending the Easter week at their home place.

Mrs. A. B. Swinnerton left for New York last week to spend the Easter holidays with her daughter, Jane, who is attending school in the East.

Fire Chief James F. Driscoll is away on his vacation. John Volpiano, assistant chief, who has completely recovered from his recent illness, is in charge at the fire house.

Special Easter services will be held at the Woodside Church on Sunday. The major portion of the program will be presented by the children of the Sunday school under the direction of Miss May Huddart, the Sunday school superintendent.

The Portola Social Club will hold a card party at the auditorium of the Woodside School on the evening of April 1. And this will be no April fool joke. Many valuable prizes have been donated and a good time is promised.

Mrs. J. Neil gave a birthday party on Tuesday for her little daughter, Jane, who has reached the age of seven years. A large number of children were present to enjoy the festivities. Andrew Nelson also had a birthday party last week at which he entertained 24 of his friends and cronies. But he is over seven.

CLUB OWNER IN 4-IN-1 JOB

MUSKOGEE, Okla. (AP) — Dusty Boggess will run the Muskogee club in the Western Association this year as president, owner, manager and player.

AKRON MAY LEAVE FOR WEST APRIL 19

The navy dirigible Akron will probably leave the Lakehurst, N J., base for the Pacific coast and Sunnyvale on about April 19 or 20, according to an Associated Press dispatch from Washington today.

The itinerary for the airship's voyage has not been definitely fixed, but navy officials expect that a southern route will be followed. The Akron, which was recently damaged in an accident at Lakehurst, may proceed to Honolulu before returning east. It will participate in maneuvers with the fleet in the Pacific.

Lieut. Comm. Charles E. Rosendahl, who was recently ordered to sea duty, will be in command of the great airship in accordance with the original plans for the trip, but will transfer to the battleship West Virginia upon the conclusion of the flight.

Arrangements have already been completed for a reception program to greet the Akron and its officers, upon the airship's arrival at Sunnyvale. Before the Lakehurst accident upset original plans, the Akron was scheduled to reach the Naval Air Station at Sunnyvale early this month.

NO. FAIR OAKS HOME DAMAGED BY SMALL FIRE

MENLO PARK, Mar. 24.—Damage estimated at $30 was done to the roof and attic of the home of M. A. Smith on Second avenue, North Fair Oaks, last night by a blaze believed to have been caused by a defective flue. The fire was extinguished by the Menlo Park Fire Department, although it is out of the Menlo-Atherton Fire District.

WIFE WINS DECREE

On her cross-complaint Mrs. Nella S. Bocci today had been granted an interlocutory decree of divorce against Joseph L. Bocci, whom she charged with cruelty. Superior Judge George H. Buck granted the decree.

No. 5762
NOTICE TO CREDITORS

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

In the Matter of the Estate of ADOLPH FIEBIG, Deceased.

Notice is hereby given by the undersigned administrator of the estate of Adolph Fiebig, deceased, to the creditors of and all persons having claims against the said deceased, to file them, with the necessary vouchers, within six months after the first publication of this notice, in the office of the Clerk of the Superior Court of the State of California, in and for the County of San Mateo, or to exhibit the same, with the necessary vouchers, within six months after the first publication of this notice, to the said administrator at the office of Edmund Scott, attorney at law, Court House, Redwood City, California, the same being the place for the transaction of the business of said estate in the County of San Mateo. State of California.

Dated this 5th day of March, A. D. 1932.

J. C. McGOVERN,
Administrator of the estate of Adolph Fiebig, deceased.
EDMUND SCOTT,
Attorney for administrator.

The "finance committee" meets

It may sound far fetched to refer to a housewife as a "finance committee." But she is, in effect, a "finance committee" of one, in that it is she who determines largely the financial policy of her household.

That business skill and judgment is required to manage successfully the family purse is recognized by the banker. The housewife must plan expenses so that a cash reserve for emergencies is built up.

The First National Bank and San Mateo County Bank can help you plan savings methods, and assist you in outlining a workable budget.

Our officers invite you to consult with them.

FIRST NATIONAL BANK *and* SAN MATEO COUNTY BANK

Redwood City

Theatre Officials Visiting Peninsula

Spyros Skouras of St. Louis and New York, one of the leading theatre magnates of the country, and Charles Skouras, president of the Fox West Coast Theatres of Los Angeles, were in this city Thursday. They had a conference with Thomas J. Kane, resident manager of the local theatre, relative to business conditions, and also visited theatres in Burlingame and San Mateo. With them were A. M. Bowles, division manager for Fox West Coast, and Ellis Arkush, district manager.

Damages Sought In Suit On File Here

Automobile damages of $443 are asked by the United States Merchants and Shippers' Insurance Company against Marie Callaghan in a suit on file today with County Clerk Elmore B. Hinman. The automobile of Saul Saslaw was damaged in a San Mateo accident by one driven by the defendant, it is charged.

Ralph Thomson of Omaha, captain-elect of Iowa State College's 1933 basketball team, will be the sole returning regular from this year's team.

COUNTY WILL GO AFTER SHARE OF TOURIST TRADE

San Mateo county is going after its share of the $80,000,000 which it is estimated tourists and visitors to the San Francisco bay region will leave here this summer. This, in the opinion of Roscoe D. Wyatt, manager of the county chamber of commerce, is a most opportune time to invite eastern friends to come to California because of the unusual number of attractions on the Pacific Coast.

Copies of a rotogravure insert which the chamber of commerce is using in several magazines are being sent out with tonight's Tribune. It is hoped that each subscriber has a friend in the east to whom it might be sent, and if additional copies are wanted, these can be secured from the city or county chamber of commerce offices in Redwood City.

ASKS ESTATE LETTERS

Mrs. Annie De Mattei of San Francisco, daughter of Mrs. Mamie McCracken, today has on file in Redwood City a petition for probate of the latter's will. Mrs. McCracken died on March 18, in San Bruno. The estate will not exceed $5500.

HOOVER'S REELECTION ASSURED BY EXPOSE OF DEPRESSIONISTS

The rapid approach of the 1932 campaign is being signalized these days by reports of the election of delegates to the national convention which come in almost daily from various states. Without exception thus far Republican delegates have been instructed for President Hoover in resolutions which warmly commend the administration for the wise and statesman-like measures that have been taken to meet the economic emergency. From all sections of the country come assurances that the president's plans to reconstruct and revitalize the nation's financial and economic structure are meeting with warm approval from the people and are rapidly restoring business confidence. Effective evidence of this restored confidence is found in the sharp decline in the number of bank failures from the December level and in the rapid restoration of hoarded money to circulation. Contributing materially to this last is the action of the Treasury Department in issuing Government bonds in small amounts from $50 to $500 bearing 2 per cent interest.

It is well known that President Hoover has been deeply concerned for many months over the bear raids upon the stock exchanges and the boards of trade, believing that they are largely responsible for the continued low prices, not only of securities but of grain and other commodities as well. He has held many conferences with officials of the exchanges and boards of trade, endeavoring to persuade them to adopt rules to put an end to unreasonable short selling. It begins to appear, however, that he has been by no means satisfied with the results of moral "suasion," and is beginning to consider more drastic measures. On Thursday of last week he called in members of the senate banking committee and after the conference it was announced that an inquiry would be held as a result of which the country would be shown just who is behind the repeated movements to knock down security and commodity prices. "We have the names," announced one of the senators called into the White House conference, "and we are going to let the country know just who are these big professional raiders who have been deliberately taking the bloom off of every constructive enterprise for the last year." The country will await the disclosures with keen interest.

—o—

City councils in some of the dairying centers are passing ordinances requiring dealers in butter substitutes to pay heavy license fees. This discriminatory type of taxation is indefensible. There is as much sense and justice in that procedure as there would be in taxing butter dealers in a town where substitutes are manufactured, or in charging a shut-out license fee for morning papers for the mere purpose of protecting evening publications from competition.

—o—

A delegation of hotel, restaurant and club owners called on President Hoover a few days ago and asked that he either enforce prohibition or allow them to sell beer and wine in competition with the speak-easies. Inasmuch as the president is neither the national police department nor the legislative branch of the government, both requests were misdirected.

CHURCH SERVICES

CHRISTIAN SCIENCE CHURCH

First Church of Christ, Scientist, Redwood City, corner Brewster avenue and Elwood street.

Sunday school 9:30 a. m.

Sunday services 11 a. m.

Wednesday evening 8 p. m.

Reading room in church edifice open 1:30 to 4:30 p. m. except Sunday and holidays.

"Reality" will be the subject of the Lesson-Sermon Sunday, March 27, in all Churches of Christ, Scientist, branches of The Mother Church, The First Church of Christ, Scientist, in Boston, Mass.

The citations which comprise the Lesson-Sermon will include the following from the Bible: "O Lord, thou art my God; I will exalt thee, I will praise thy name; for thou hast done wonderful things; thy counsels of old are faithfulness and truth. He will swallow up death in victory; and the Lord God will wipe away tears from off all faces; and the rebuke of his people shall he take away from off all the earth: for the Lord hath spoken it. And it shall be said in that day, Lo this is our God; we have waited for him, and he will save us: this is the Lord; we have waited for him, we will be glad and rejoice in his salvation" (Isa. 25:1,8,9).

The Lesson-Sermon also will include the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Christian Science, properly understood, would disabuse the human mind of material beliefs which war against spiritual facts; and these material beliefs must be denied and cast out to make place for truth. Truth should not seem so surprising and unnatural as error, and error should not seem so real as truth. Sickness should not seem so real as health. There is no error in Science, and our lives must be governed by reality in order to be in harmony with God, the divine Principle of all being" (p. 130).

FIRST BAPTIST CHURCH

Easter—Resurrection Day.

Sunrise service at the Cross.

Bible school at 9:45.

Morning worship at 11. Subject: "He Goeth Before You." Closing with baptismal services.

B. Y. P. U. meets at 6:30.

The evening hour at 7:30 will feature a beautiful pageant, given by a large group, under the direction of Mrs. M. W. Berry, entitled "The Triumph of Jesus Over the Cross." Music, lights and decorations in keeping with the day.

CHAS. H. GATCHELL,
Minister.

FIRST CONGREGATIONAL CHURCH

Jefferson avenue and Middlefield road.

Easter morning.

Easter Sunrise service at the Cross, 5:45 a. m.

The morning text at 10:45 will be "The Message of Hope." Musical program: Anthem, "Break Forth Into Joy" (Barnby); trio, "The Redeemer Rose" (Mansfield), Mrs. Roy Hohberger, Mrs. Philip Forsyth, Mrs. Herman Phillips; anthem, "Christ Is Risen" (Birch).

Sunday school, 9:45. Easter eggs will be given all scholars.

Christian Endeavor Society, 6:45. Miss Mable Claire Duncan, president.

Vesper service, 5 p. m. Program of music by Charles Gounod. Organ prelude, "Ave Maria," Mr. Fred Taylor; prayer; anthem, "Send Out Thy Light"; solo, "There Is a Green Hill," Mrs. Herman Phillips; anthem, "Sanctus" (St. Cecelia); duet, "Forever With the Lord," Mrs. Wilbur Doxsee, Mrs. Philip Forsyth; solo, "Jerusalem," Mr. J. Edwin Spence; orchestra, "March Romaine," Mr. Clifton Woodham, leader; solo, Entreat Me Not to Leave Thee," Mrs. Philip Forsyth; anthem, "By Babylon's Wave"; solo, "The King of Love My Shepherd Is," Mr. Herman Phillips; anthem, "Lovely Appear," double quartet; anthem, "Benedictus"; solo, "O Divine Redeemer," Mrs. Roy Hohberger; chorus, "Unfold Ye Portals."

The public is cordially invited.

C. H. STEVENS,
Minister.

The air is so rare at the top of Mt. Everest that ten breaths are required for every step taken.

England reports a great proportion of the crimes committed in that country are by youths between 17 and 25.

MAN INJURED BY DOG SEEKS $5700

John Saari, an employe of St. Patrick's Seminary on the Middlefield road east of Menlo Park, today brought a $5700 damage suit in superior court in Redwood City over an attack on him by a police dog.

The dog, Saari charges, attacked him on December 15, 1931, on the seminary grounds, inflicting severe lacerations on both the right and left hands and forearms.

Emil Hoff, another employe of the seminary, is the defendant. It is his dog.

Saari declares that he expended $75 for hospitalization; $150 for doctor's fees, and will incur an additional medical expense of $500. In addition, he asks $5000 general damages.

SOCIETY WOMAN GUARDS SAVINGS OF OLD PEDDLER

HILLSBOROUGH, Mar. 24.—A well-to-do society woman was revealed here today as the guardian of an itinerant pencil peddler's estate, which was found to be worth $3500 despite the fact that he died a few days ago in the San Francisco "poor house."

Mrs. Thomas H. Breeze, wife of the attorney and school board trustee, had been depositing the aged man's earnings. She said his name was Tim Casey, and that his "route" was between Santa Cruz and Hillsborough. At the end of every trip, the one-legged peddler would bring along his earnings.

On account of his age and crippled condition, Mrs. Breeze said she never revealed the old peddler's secret of a substantial savings account.

CITY COUNCILMEN

(Continued from Page One)

that some work would be created in the Memorial Park.

Told in Brief

City Manager Rolison was asked to learn what Hare, Brewer & Clark proposed to do with the small piece of property at the end of Hamilton street, and that if no progress was being made in the negotiations with the Southern Pacific, that the property be returned to the city, if a deed has been recorded.

Joe Casaretto protested the storm water conditions of recent weeks on his Brewster avenue property and asked the council to extend the present storm sewer. This matter was referred to City Engineer C. L. Dimmitt for a report.

The city manager reported that it would cost about $1200 to throw up a levee for the new city dumping grounds and he was instructed to include this item in the new budget.

Even in the days of ancient Rome there were surgeons who specialized in removing cataracts from human eyes.

Man Acquitted In Woman Murder Case

Andrew Mareck, charged with the murder of Mrs. Anita Lund, Laguna Honda home nurse, whose body was found dumped alongside a road in Northern San Mateo county after an illegal operation, was acquitted by a San Francisco jury yesterday.

Mario Muratore, the slain woman's sweetheart, was also acquitted a few days ago.

NOTICE OF TRUSTEE'S SALE
No. 920

WHEREAS, Albert L. Palmstag and Elizabeth Ott Palmstag, his wife, by Deed of Trust dated February 11, 1930, and recorded February 21, 1930, in Book 454 of Official Records of San Mateo County, California, at Page 482 et seq., did grant and convey that certain real property hereinafter described, to Wilbur J. Edwards and Geo. B. Campbell, as trustees, to secure, among other things, a promissory note in the aggregate sum of Thirty-Two Hundred Fifty (3250.00) Dollars, with interest thereon at the rate of 7.2 per cent per annum, payable monthly in favor of Independent Building-Loan Association, a corporation, also to secure any other sums of money which might become due and payable under the terms of said Deed of Trust: and

WHEREAS, San Jose Abstract & Title Insurance Co., a corporation, has been duly substituted as Trustee under said Deed of Trust in place and stead of Wilbur J. Edwards and Geo. B. Campbell; and

WHEREAS, Default was made in the payments due upon said note and obligation, in that the following items were not paid when due, and still remain due, owing and unpaid: Principal of said note and interest due thereon; and

WHEREAS, In accordance with the provisions of said note and Deed of Trust, and by reason of such default, the owner and holder of said note and obligations exercised the option given therein and did declare all sums secured thereby to be immediately due and payable, and did execute and deliver to the Trustee a written declaration of default and demand for sale, and thereafter, in accordance with the provisions of Section 2924 of the Civil Code, did record a notice of default and breach in the conditions of said Deed of Trust, which said notice was recorded November 30, 1931, in Book 548 of Official Records of San Mateo County, California, at Page 85 et seq.; and

WHEREAS, Said Deed of Trust provides that after three months shall have elapsed following such recordation of said notice, the Trustee, without demand, shall sell said property as therein provided; NOW THEREFORE, Notice is hereby given that by virtue of the authority vested under said Deed of Trust, said Trustee will sell at public auction to the highest bidder for cash in gold coin of the United States, on Monday, the 28th day of March, 1932, at the hour of 2:00 o'clock p. m., at the front door of the County Court House in the City of Redwood City, County of San Mateo, State of California, the interest conveyed to said Trustee by said Deed of Trust in and to the property therein described, situate in the City of Redwood City, County of San Mateo, State of California, described as follows:

Lot "A" as designated on the Map entitled "Resubdivision of Lots 2 and 3 Block 40 Map No. 2, Central Park, Redwood City, Calif.," which Map was filed in the office of the Recorder of the County of San Mateo, State of California on January 23, 1929, in Liber 17 of Maps, at Page 34, or so much thereof as shall be necessary to pay all sums due and unpaid or to become due, secured by said Deed of Trust, subject, however, to any and all prior liens and encumbrances.

Dated March 1, 1932.

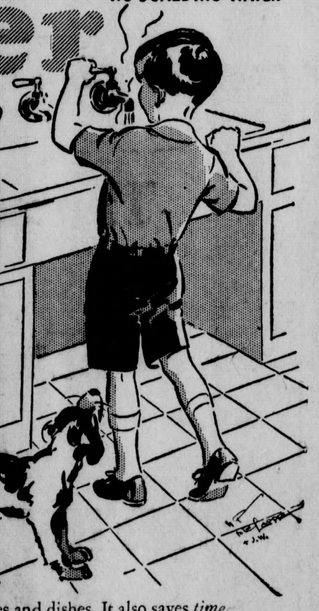
Automatic HOT water safer for children

NO MATCHES TO LIGHT
NO SCALDING WATER



AUTOMATIC Gas Water Heater costs 50% less than in 1917..... Costs 40%* less to operate because of Natural Gas

Easiest terms ever—as low as $4.85 down and $3.85 a month

Let the children wash themselves. They like to—especially when there is plenty of hot water at the turn of a faucet. Then, too, Automatic Hot Water is safer.

You can buy an Automatic Gas Water Heater for 50% less than you could in 1917. Yet the new, improved automatics are colorful and better built. And the terms? They are as low as $4.85 down and $3.85 a month, with a liberal trade-in allowance for your old non-automatic water heater or water-back. Never before have such easy terms been offered on Automatic Gas Water Heaters of this quality.

Besides, an Automatic is economical. It heats water for the lowest cost per gallon of any method of heating water in the home. Moreover, Natural Gas has cut the operating cost about 40%.

Put yourself down for an Automatic and have hot water any time of the day or night. Just turn the faucet for a tubful for bathing or a basinful for shaving.

Plenty of Automatic Hot Water dissolves dirt from 2 to 20 times faster. That saves your *energy* with the clothes and dishes. It also saves *time*. Studies have been made which show instant hot water saves from 4 to 6 hours each week.

Architects and builders are specifying Automatics for all modern homes. The smallest home can now enjoy the same excellent hot water service found in fine hotels and apartments.

When you select an Automatic Gas Water Heater, you are not buying a luxury but making an investment in one of the most important necessities for healthful, happy home life.

*According to our gas rates, Automatic Water Heating with Natural Gas saves the average consumer 40%.

Menlo Park

Accomplishments of city administration during the past two years were reviewed by Mayor W. H. Weeden, candidate for re-election in the city election on April 11, in a talk before a mass meeting at the Episcpal Parish Hall Monday night. Approximately 100 supporters of Mayor Weeden and Edward H. Hart, another candidate for council, were present at the meeting.

"We have fulfilled our pledge of harmony and economy," declared Weeden, who reviewed the financial situation of the city during the 10 months prior to the commencement of his administration two years ago and the situation of the last year.

Quoting from an auditor's report, Mayor Weeden declared that a comparison of a 10-months period shows that the present administration operated at a saving of $1,047. For nine and two-thirds months of the former regime the general expenses were $12,713, while for 10 months of the present regime the expenses were $11,270, he pointed out. This saving was effected in the operation of the police department, it was declared.

"When this administration went into office, the city faced a $762 overdraft," said Mayor Weeden. "In the last 10 months of the previous administration the city spent $6,000 more than its receipts." He pointed out that a surplus had been built up at a previous time from liquor fines, but that then the city had coasted along on it.

Street Work Reviewed

Mayor Weeden reviewed the street improvement work done by the residents of Menlo Park during his administration: Hoover street, Stanford Park, Pine and Mills streets, Paraiso Park, Live Oak avenue and Curtis and Doyle streets.

A total of 6.54 miles of street work, 10.68 miles of curbing and 1,034,783 square feet of paving has been constructed at a total cost of $190,320.09, it was declared. "This shows progress," maintained Mayor Weeden, who asserted that the street work was asked by the people.

Mayor Weeden declared that the present board had kept its pledge and that the policy "we will pursue will be the same as it has been for the past two years."

"Menlo Park is better off than any city of its size in the state," he believed.

In a brief talk Mr. Hart, Mayor Weeden's running mate, pledged his best efforts to the city if he should be elected to the council. "I am not a politician," he said, "but I expect to fight for what I think is right." Everyone must work for the same end, he declared, for as long as there are factions, there is not much hope of getting anywhere.

Tax Situation Analyzed

An analysis of the tax situation was given by City Attorney George K. Whitworth. The previous administration was well able to operate under a 50-cent tax until June, 1929, he asserted, because of a large surplus built up by liquor fines. But the court fines for the next 10 months were only about $400, and as a result the surplus ended abruptly when the expenditures became more than the receipts, according to Mr. Whitworth.

When the new administration came into office, city expenditures were reduced by $100 a month, but an estimate of all other income besides taxes showed that a $1 tax was necessary for the city to operate because of the reduced amount received from fines, he pointed out. The $1 tax will raise about $8,000.

"At the end of a year the present administration had a credit balance instead of a deficit," he said. "Thus this last year it was able to cut the tax to 95 cents. It appears that a further reduction may be possible for next year."

Other speakers at the meeting were George A. Montell, K. L. Martin, City Engineer Bert J. Mehl, Miss Sarah Fry, Councilman E. J. Crane, F. L. W. MacDonald and Police Judge Jean B. Hoss. The only clash came when in reply to a statement that nine out of 10 arrests by a certain police officer had to be dismissed because they were made for personal reasons, Frank Lintner, former policeman, asserted that one "ticket" had been dismissed by the judge because of personal reasons.

A pledge petition supporting the Weeden-Hart combination was signed by 250 persons, it was announced at the meeting by Dennis E. O'Keefe, who acted as chairman. Additional signatures were secured at the close of the meeting. Saturday evening, April 9, was set as a tentative date for another mass meeting of Weeden-Hart supporters.

M. E. Carter, who suffered severe injuries in an automobile accident at South San Francisco late last Friday night, was reported improving yesterday. The injuries may not be as bad as first supposed. Mr. Carter has regained consciousness and is able to take nourishment. The doctors are to make a thorough examination of the case today when the extent of the injuries will be made known. It was at first thought that Mr. Carter had suffered a fractured pelvis and other serious internal lacerations. He is confined to the South San Francisco Hospital and has the very best medical attention. Mr. Carter is a pioneer of this community. For many years he has been the chief gardener for the estate of Robert Moore. His friends hope he may recover. The car in which Carter was riding collided with a truck stalled on the highway. Maurice Dioze, driver of the car, escaped without injury. Two other passengers in the car were also badly hurt.

Slight damage was done to the home of Mrs. M. Annis on Madrone avenue just off the Alameda de las Pulgas when a blaze starting from a defective flue burned a portion of the roof at 7:30 o'clock this morning. The fire was extinguished by the Menlo Park Fire Department.

The total registration of voters of the City of Menlo Park to date is 1150, a gain of 300 over two years ago.

A notice of assessment for street work in Paraiso Park inadvertenly appearing in a local paper filled the chambers of the city hall with property owners at the regular meeting of the city council Tuesday evening. Much discussion was had but when the mayor explained the situation the property owners were satisfied and went away feeling in a better mood than when they came.

When the work is finished by the contractor, C. W. Wood, a reassessment will be made, so declared the mayor and the city attorney.

A petition signed by 26 residents of the district and two individual petitions protesting the quality of the Paraiso Park paving were received by the council. In them J. J. Harcom, H. I. Fendler, Thomas Stentiford, W. E. Bidwell and Max Mielke were named as a committee to see that the streets are properly completed.

Max Mielke, father of Albert Mielke, candidate for city trustee, declared the work in Paraiso Park was not up to plans and specifications. He asked many questions as did J. J. Harcom and Mark Loughlin, regarding the assessment. Harcom protested a bill for his assessment work. He was told to destroy it as a new claim would be sent to property owners when the work was completed. To all questions Mayor Weeden explained that the work had been held up since the early winter rains, which made it impossible at that time. In order to play fair with the contractor, it was first planned to proceed as if the work had been completed, assess the district and issue the improvement bonds, because only a fraction of the work remained to be done. As a guarantee that it would be completed later, a sufficient number of the bonds would be withheld from the contractor until that had been done.

As objection was made to such a proceeding, said Mayor Weeden the contractor was granted an extension of time to complete the work and the assessment proceedings were abandoned. No steps will now be taken until the job is actually completed.

The protest petition of the Paraiso Park Property Owners' Organization listed the following complaints: The work is not according to specifications; grades to connecting streets are not correct; there are no crowns on the streets; the sidewalk and curbing grades are uneven; and the grades to many properties are hazardous.

City Attorney Whitworth explained that the improvements would be completed according to specifications and he felt quite sure the assessment would not be any more than the previous tentative one.

C. W. Wood has started work on the streets and will complete them in a short time according to plans and specifications and after the improvements are completed notices will be sent each property owner detailing the cost. Payments will not be made for some time thereafter. The money may be paid to the city engineer or to the contractor.

The Toyon Motors, J. H. Shaw proprietor, was given permission to put a banner across Santa Cruz avenue to the pole on the post-office. The banner is to advertise the new Ford car.

Police Commissioner Crane presented the report of the chief of polcie which was as follows:

Motor violations, 55; other violations, $55; merchants' licenses, $502.50—total, $634.50.

A communication was read from H. A. Zink, chief of police of Palo Alto, thanking Chief Love and his staff for the able assistance rendered by them at the fire at the Palo Alto Circle last week.

Bids of $48 each for the city's motorcycle were presented by Harvey F. Huesties and James Blocker.

A group of residents presented a petition that a 25-mile-an-hour zone be established on the state highway between the northerly city limits and the San Francisquito creek bridge. The request was referred to Councilman E. J. Crane, police commissioner, for report at the council meeting next Tuesday evening. Crane announced that temporary 25-mile signs had been installed on Santa Cruz avenue.

The council appropriated the sum of $50 for repainting the street signs.

Albert K. Kurtz, Ph. D., employed in the research division of the United States civil service commission at Washington, has just written a handbook of statistical formals for use by mathmeticians. It is a wonderful work on higher mathematics. His mother, Mrs. Fannie I. Kurtz, clerk, received the books this week. Naturally, she is very proud of her son's efforts as a writer.

Tuesday being the last day to file nominations for city officers two aspirants for city honors filed on that day. The following nominations have been filed: W. H. Weeden, Edward H. Hart, Thomas Furman, Albert J. Mielke, and Alexander Walker, candidates for trustees, two places to be filled; city clerk, Fannie I. Kurtz, incumbent, Winifred Brown and Violet M. Walrath; treasurer, J. W. Ryan and Lloyd Douglas.

The Native Sons and Native Daughters will sponsor a card party at the school auditorium on March 31. A large number of valuable prizes are to be awarded the winners of the contest. A dozen pretty native daughters are to do the "punching."

The Mothers' Club of Menlo Park will give a whist party in the Hall of the Nativity on Friday evening, April 8. Admission 25 cents. Many costly prizes are to be offered.

The Shelter at Atherton will hereafter exact six hours work of all those wishing meals and lodgings. Heretofore the town took care of the cost of feeding and housing the unemployed, but funds are running low so the shelter will have to be self-supporting. The city is to continue to aid it in a small way. All winter the unemployed were taken care of by Atherton.

Charles E. McPherson and his charming wife have returned from Vallejo and neighboring cities. They attended the Hibernian banquet at Vallejo on March 16 in honor of St. Patrick at which Governor James Rolph presided. He delivered a noted address. McPherson declared it to be the most eloquent that he ever heard.

About 100 members of St. Joseph's Alumni attended the annual communion at the 8 o'clock mass in the Church of the Nativity last Sunday morning. The breakfast was served at the Cardinal Hotel, Palo Alto. All the past presidents of the organization were included in the event.

Gordon Partee, the noted football player of St. Mary's College, is here spending his Easter vacation with his family. Partee is to be the star player for the team this year. His friends expect much of him during the season.

Work on the Bayshore highway that was stopped by the heavy rains of last winter, is being resumed and the contractors are bending their best efforts for an early completition of the thoroughfare.

Miss Carmel O'Keefe is here from San Francisco College for Women to spend her vacation with her family. Several of her classmates are threatened with kidnapers. A guard has been placed about the institution for the protection of the young ladies. Girls attending the Sacred Heart convent here also are menaced.

Peninsula people who are interested in horse races and steeple chasing have an interesting schedule for the spring, as five meets are to be held in various parts of the state under the auspices of the Pacific Coast Steeplechase and Racing Association. The last of the five will take place at Menlo Park April 17. The first started yesterday in Los Angeles.

At a steeplechase dinner to be given March 26 at the Santa Barbara Biltmore, the guests will include Miss Christine Donohoe and Miss Grace Hamilton of Menlo Park and Mrs. W. P. Roth of Redwood City.

Charles Dunphy of Menlo Park is president of the Menlo Park branch of the Pacific coast association. Directors include Mr. and Mrs. Alexander Hamilton, Mrs. Roth, and Herbert Fleishhacker.

Mr. and Mrs. Charles McCormick, who have spent the winter in the city have opened their attractive home in Atherton where they will entertain considerably during the summer.

James B. Howell, local fire commissioner, will succeed Mayor M. A. Harris as a member of the Atherton town board. Having moved to his new home just outside of Atherton's city limits Mr. Harris will not be eligible as councilman. Mr. Howell and Charles H. Merrill, incumbent councilman, are the only candidates filed for the two vacancies. Both are members of the Menlo Park fire commission. Mr. Harris has for many years served the people of Atherton faithfully and well as councilman and as fire commissioner. He carries with him in his retirement from public office the very best wishes of the people of Atherton.

WOODSIDE CAPITALIST IS DEFENDANT IN LAWSUIT

Selah Chamberlain, Woodside capitalist, and his wife are named defendants in a $21,957 lawsuit on file in San Francisco as the result of injuries incurred in a sidewalk fall by a San Francisco widow. The plaintiff is Mrs. Belle Banner, residing in the Hotel Richelieu.

A 93-year-old Negro woman is a pupil in a public school night class in Topeka, Kan.

NOTICE TO CREDITORS

In the Matter of the Estate of LOUIS GOODFRIEND, Deceased.

Notice is hereby given by the undersigned Eugene H. Goodfriend, administrator of the Estate of Louis Goodfriend, deceased, to the creditors of and all persons having claims against the said decedent, to file them, with the necessary vouchers, within six (6) months after the first publication of this notice, in the office of the clerk of the Superior Court of the State of California in and for the County of San Mateo, or to exhibit them, with the necessary vouchers, within six (6) months after the first publication of this notice to the said administrator at No. 491 Crescent St., Oakland, California, the same being his place of business in all matters connected with said estate of Louis Goodfriend.

Dated March 24th, 1932.

EUGENE GOODFRIEND,

PROTECTING DOLLARS AT WORK

IN EVERY PART of California, Bank of America has dollars at work—in the form of loans to industry, agriculture, responsible individuals. . . . . .

These loans are widely diversified in every sound major business activity of the state. . . . . .

Never more than a small portion of our *total* deposits is loaned to any one industry, crop or section. . .

Thus, in a very real sense, the strength of California—its diversity of climate, crops, business—is an added safeguard for Bank of America's statewide loans.

And this Bank has unexcelled facilities to protect its dollars at work: banking offices in 243 communities, serving the entire state; intimate knowledge of local conditions; the resources of each branch reinforced by the resources of our entire organization. . . . . .

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.

Dark Eye Shadows are invisible under the enchanting film of seductive beauty imparted to your skin and complexion. They need no longer age your appearance or detract from the charming youthful beauty you may so easily possess thru
